Providing care at convenient locations throughout the Southern Tier

Directory of Services, Physicians & Providers
We are pleased to be your guide

One of the most important decisions any of us can make is where to seek medical care, whether it’s for an emergency or a routine checkup. Which doctor, allied health professional, hospital or medical center will best suit our needs? This directory is a resource designed to help you make those choices. It gives you a clear picture of exactly what our UHS System offers when it comes to the high-quality providers associated with our hospitals and offices.

Our medical staffs now comprise more than 550 members, practicing at our four hospitals in Broome, Chenango and Delaware counties. The size of the affiliated UHS Medical Group has doubled in the past 10 years to include over 400 members. The providers listed in these pages represent a wide range of medical and surgical specialties and a host of primary care options. We are proud to refer you to these talented, skilled and dedicated individuals.

The providers are all motivated by one goal: to ensure that you have a positive, restorative experience as a patient. They are committed to listening to you, showing you respect and giving you hope. That’s because they’re all members of the UHS team, devoted to making your time with us comfortable, supportive and healing – the best healthcare experience of your life.

Thank you for making the UHS choice, and for using this edition of the Directory of Services, Physicians & Providers as your personal guide to quality care.

Sincerely,

John M. Carrigg
President and Chief Executive Officer
UHS

...in Chenango Bridge, Endicott and Vestal!

UHS Walk-In Centers are conveniently located nearby your home or work, to care for you or a loved one when experiencing minor health concerns including coughs, colds, sprains and strains. It's always best to visit your primary care provider when you are hurt or ill, but when it's not possible, Walk-In for high quality care!

Open 7 days a week, 8am – 8pm

Visit uhs.net to view current Walk-In wait times.
UHS is the Southern Tier’s largest and most comprehensive provider of healthcare services. A locally owned, not-for-profit System, it is governed by a volunteer Board of Directors composed of community residents. Founded in Greater Binghamton in 1981, UHS was formed through the consolidation of three community hospitals. Over the years it has grown to encompass four hospitals, plus home health and long-term care services and physician practices at many locations in Broome and surrounding counties.

Devoted to high-quality, patient-centered care, the people of UHS pledge: We listen. We show respect. We give hope.

UHS Wilson Medical Center
Johnson City, NY
(607) 763-6000

designated a 24-hour trauma, stroke and chest pain center, UHS Wilson is centrally located in Johnson City. It is a regional referral center for such high-level medical and surgical services as cardiac surgery, neurosurgery and neurosciences, cancer care, maternity and high-risk obstetrics, neonatal intensive care, ambulatory surgery, diabetes education and care, blood disorders treatment, and physical therapy and rehabilitation. It trains physicians through a long-standing and highly respected Medical Residency Program.

UHS Binghamton General Hospital
Binghamton, NY (607) 762-2200

UHS Binghamton General provides general medical, surgical and rehabilitative care to the people of Greater Binghamton. It offers 24-hour emergency care and operates such major regional programs as orthopedic surgery, bariatric care, wound care, physical therapy and rehabilitation services, chemical dependency treatment, behavioral health, sleep center and gastroenterology laboratory.

UHS Chenango Memorial Hospital
Norwich, NY (607) 337-4111

UHS Chenango Memorial is a hospital and senior living facility serving the Norwich and Chenango County area. It offers inpatient and outpatient medical and surgical services, emergency care, intensive care, cardiology, orthopedics, primary care and women’s services. It also features maternity, physical therapy and rehabilitation, laboratory and diagnostic imaging.

UHS Delaware Valley Hospital
Walton, NY (607) 865-2100

Designated a critical access hospital, UHS Delaware Valley serves Delaware County and northern Sullivan county. It offers emergency care, inpatient medical and rehabilitation services, ambulatory care and an inpatient addiction treatment program. It also provides primary care, occupational health, laboratory, imaging, pharmacy, cardiopulmonary and rehabilitation services.

UHS Senior Living at Ideal
Endicott, NY (607) 786-7300

Located on a scenic campus on High Avenue in Endicott, Ideal is a full-service senior living environment. It includes a skilled nursing facility with short-term rehabilitation, in addition to an adult home, an independent-living apartment complex and an assisted-living facility.

UHS Home Care
(607) 763-5600

Nationally recognized for quality, UHS Home Care provides nurses, aides and other specialists for patients who need telemonitoring, physical or occupational therapy, infusion or wound care in their homes. Its services include certified long-term home health, a home emergency alarm response system, Rehab at Home, Heart at Home and In Balance, all of which enhance quality of life. Through its retail store, the agency offers a wide array of home care products, supplies and mobility equipment.

UHS Medical Group
(607) 770-7376

The UHS Medical Group is a professional corporation and multi-specialty group medical practice consisting of a number of practitioners at locations throughout the Southern Tier. Physicians, surgeons and advanced care providers in the group encompass a wide range of specialties at office and hospital sites throughout Broome, Chenango, Delaware, Otsego, Sullivan and Tioga counties.

UHS Physician Practices

UHS operates the Southern Tier’s largest network of primary and specialty physician practice offices, with locations in Broome and surrounding counties. UHS Physician Practices offer care to every member of the family, from babies to the elderly, at sites close to home, work or school. Offices are staffed by highly qualified practitioners, including physicians, podiatrists, nurse practitioners, physician assistants, nurses, therapists, technicians and pharmacists.

UHS Foundation
(607) 762-2171

The Foundation supports innovation, service and quality in the UHS healthcare system by educating the community about healthcare needs and giving opportunities, attracting financial donors, managing gifts and providing grants. The Foundation helps to fund program, service and equipment advances at several UHS-member, not-for-profit organizations.

UHS complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

**UHS NurseDirect** at 800-295-8088 or (607) 763-5555
Who’s Who?

Here’s a quick guide to help you:

**MD (Medical Doctor):** A physician who is licensed to practice medicine and who has obtained a Doctor of Medicine degree. They have been trained to treat diseases and illnesses with medications, surgery, diet, exercise and other means.

**DO (Doctor of Osteopathic Medicine):**
A physician who is licensed to practice medicine and who has obtained a Doctor of Osteopathic Medicine degree. They have been trained to treat diseases and conditions with medications, surgery and other holistic techniques that emphasize the body’s ability to heal.

**DPM (Doctor of Podiatric Medicine):**
A podiatrist who is licensed to practice medicine limited to the foot and ankle and has obtained a Doctor of Podiatric Medicine degree. They have been trained to help prevent, diagnose and treat diseases, injuries or defects of the foot and ankle with medications, surgery, orthotics and other means.

**NP (Nurse Practitioner):** A Registered Nurse who has advanced education and clinical training in a health care specialty area. Nurse Practitioners provide individualized care with patients of all ages, providing regular health care, education and information to achieve and promote wellness. They collaborate as needed with physicians and other health professionals. Often a Nurse Practitioner is referred to as a “Physician Extender.”

**PA (Physician Assistant):** A medical provider with an advanced degree with national certification who has received academic and clinical training. Working under physician supervision, Physician Assistants perform physical examinations, diagnose medical problems, order laboratory tests and prescribe medications. Often a Physician Assistant is referred to as a “Physician Extender.”

**CNM (Certified Nurse-Midwife):** An individual educated in the two disciplines of nursing and midwifery, who possesses evidence of certification according to the requirements of ACNM. Midwifery practice as conducted by Certified Nurse-Midwives (CNMs) and Certified Midwives (CMs) is the independent management of women’s health care, focusing particularly on common primary care issues, family planning and gynecologic needs of women, pregnancy, childbirth, the postpartum period and the care of the newborn. The CNM and CM practice within a health care system that provides for consultation, collaborative management or referral as indicated by the health status of the client, CNMs and CMs practice in accord with the Standards for the Practice of Midwifery, as defined by the American College of Nurse-Midwives (ACNM).

About board-certified physicians

*What does board-certification mean to you?*

When a physician is board-certified, it means that he or she has passed an intensive examination in one or more medical specialties following residency or fellowship training. It means you are assured that the provider has attained a high level of educational and professional expertise. Certification is determined by a specialty society recognized by the American Board of Medical Specialties. To be certified, a physician must meet rigorous standards through intense study, self-assessment and evaluation by other medical professionals. In addition, the doctor must prove a high level of competency as determined by the Accreditation Council on Graduate Medical Education.

All of our physicians work hard to keep pace with the latest developments in medicine. Most of them are currently board-certified in their specialties, or well on their way toward becoming certified. Our organization is committed to encouraging them to continue their education and specialized training, to complete certification exams and to maintain top credentials in their fields of interest. It’s another way our patients benefit from the knowledge, skill and dedication of our outstanding medical professionals.
Primary Care Providers

Family Medicine providers oversee and treat a variety of illnesses for patients of all ages, and help them to maintain a healthy lifestyle. Internal Medicine providers diagnose and treat adult diseases, and generally do not treat children.

Certification: Family Nurse Practitioner

Oanu Stingu, RPA
Physician Assistant
Education: Pennsylvania College of Technology, Williamsport, PA
Certification: Certified Physician Assistant
Palliative Care

Palliative care is the medical specialty focused on improving overall quality of life for patients and families facing serious illness. Emphasis is placed on intensive communication, pain and symptom management, and coordination of care. Palliative care is provided by a team of professionals working together with the primary doctor. It is appropriate at any point in a serious illness and can be provided at the same time as treatment that is meant to cure.

UHS Palliative Care
UHS Wilson Medical Center
UHS Binghamton General Hospital
33-57 Harrison Street, Johnson City, NY 13790
phone: (607) 763-6622 • fax: (607) 763-5064

Carolyn Crispell, DO
Medical School: Touro University College of Osteopathic Medicine, Vallejo, CA
Specialty Training: UHS, Johnson City, NY
Board Certification: Internal Medicine; Hospice; Palliative Medicine
Special Interests: Osteopathic Manipulation

Maureen Daws, FNP
Nurse Practitioner
Education: SUNY Binghamton Decker School of Nursing, Binghamton, NY
Certification: Family Nurse Practitioner
Special Interests: Palliative Care

Philip Dzwonczyk, MD
Medical School: Jefferson Medical College, Philadelphia PA
Specialty Training: Mary Imogene Hospital Bassett Hospital, Cooperstown, NY
Board Certification: Internal Medicine; Hospice; Palliative Medicine

Pathology

Pathologists study tissues, organs and bodily fluids under a microscope to diagnose diseases.

UHS Pathology
33-57 Harrison Street, Johnson City, NY 13790

Komal Arora, MD
Medical School: Government Medical College, Nagpur, Maharashtra
Specialty Training: University of Texas Health Science Center, San Antonio, TX
Fellowships: Houston Methodist Hospital, Houston, TX (Surgical Pathology); University of Texas MD Anderson Center, Houston, TX (Blood Banking & Transfusion Medicine)
Board Certification: Anatomical & Clinical Pathology; Blood Banking and Transfusion Medicine

Claude C. Cornwall, Jr., MD
Medical School: Cornell University Medical College, New York City, NY
Specialty Training: NYU Bellevue Hospital, New York, NY
Board Certification: Anatomical & Clinical Pathology
Special Interests: Hematopathology; Anatomic & Clinical Pathology

Tzvetan Kozarski, MD
Medical School: Medical University of Plovdiv, Plovdiv, Bulgaria
Specialty Training: SUNY Downstate, Brooklyn, NY
Fellowships: SUNY Downstate, Brooklyn, NY
Board Certification: Anatomical & Clinical Pathology; Neuropathology

Narendra Panesar MD
Medical School: Jawaharlal Nehru Medical College, Ajmer, India
Specialty Training: Westchester Medical Center, Valhalla, NY
Fellowships: New York Blood Center, New York, NY (Blood and Transfusion); Albert Einstein College of Medicine, Bronx, NY (Surgical Pathology)
Board Certification: Anatomical & Clinical Pathology

Aditi Ranade, MD
Medical School: B.J Medical College, University of Pune, India
Specialty Training: St. Luke’s Roosevelt Hospital Center, New York, NY
Fellowships: Memorial Sloan-Kettering Cancer Center, New York, NY (Oncologic Surgical Pathology); University of Pittsburgh, Pittsburgh, PA (Breast and Gynecological Pathology)
Board Certification: Anatomical Pathology
Special Interests: Breast Pathology; Gynecologic Pathology

Richard M. Rigotti, MD
Medical School: Temple University, Philadelphia, PA
Specialty Training: Geisinger Medical Center, Danville, PA
Fellowship: University of North Carolina, Chapel Hill, NC
Board Certification: Anatomical & Clinical Pathology; Cytopathology
Special Interests: Cytopathology; Fine Needle Aspiration Biopsy; Surgical Pathology

Jagmohan S. Sidhu, MD
Chief, Department of Pathology
Director of Laboratory Medicine
Medical School: Punjabi University, Patiala, India
Specialty Training: Mount Sinai Medical Center, New York, NY; New York Medical College, Valhalla, NY; Punjabi University, Patiala, India
Fellowships: University of Texas, Medical Branch, Galveston, TX; SUNY Upstate Medical University, Syracuse, NY
Board Certification: Hematopathology; Anatomical & Clinical Pathology
Special Interests: Hematopathology; Surgical Pathology; Flow Cytometry; Telepathology
Bozena Slota, MD
Medical School: Medical Academy, Lublin, Poland
Specialty Training: SUNY Upstate Medical University, Syracuse, NY
Fellowship: SUNY Upstate Medical University, Syracuse, NY
Board Certification: Anatomic & Clinical Pathology

Loren J. Wolsh, MD
Medical School: Northwestern University Medical School, Chicago, IL
Specialty Training: Cleveland Clinic Hospital, Cleveland, OH
Board Certification: Anatomic & Clinical Pathology; Medical Microbiology
Special Interests: Microbiology; Surgical Pathology

Gang Yue, MD
Medical School: Bethune Medical University, Changchun, China
Specialty Training: Allegheny General Hospital, Pittsburgh, PA
Fellowship: University of Massachusetts Medical School, Worcester, MA
Board Certification: Anatomic & Clinical Pathology; Hematopathology
Special Interests: Hematopathology
Second Languages Spoken: Chinese

Richard M. Rigotti, MD
Medical School: Temple University, Philadelphia, PA
Specialty Training: Geisinger Medical Center, Danville, PA
Fellowship: University of North Carolina, Chapel Hill, NC
Board Certification: Anatomic & Clinical Pathology; Cytology
Special Interests: Cytology; Fine Needle Aspiration Biopsy; Surgical Pathology

Iskandar I. Kassis, MD
Medical School: American University of Beirut
Specialty Training: SUNY Upstate Medical University, Syracuse, NY
Fellowship: SUNY Upstate Medical University, Syracuse, NY
Board Certification: Obstetrics/Gynecology
Special Interests: High Risk Obstetrics; Preterm Labor

Mark Caramore, MD
Medical School: SUNY Upstate Medical University, Syracuse, NY
Specialty Training: University of Virginia Dept. of Physical Medicine & Rehabilitation, Charlottesville, VA
Special Interests: Electrodiagnostics; Sports Medicine; Amputee Care; Spasticity Management; General Musculoskeletal/Joint Issues

Plastic, Reconstructive, Hand & Cosmetic Surgery
A plastic surgeon specializes in reconstructive and cosmetic surgery for patients with deformations, burns, injury, disease and for aesthetic preference.

Omotinuwe Adepoju, MD
Medical School: Cornell University Medical Center, New York, NY
Specialty Training: University of Medicine and Dentistry, Newark, NJ
Fellowship: University of Minnesota, Minneapolis, MN
Board Certification: Plastic Surgery

B. Peter Fedczuk, MD
Medical School: New York University School of Medicine, New York, NY
Specialty Training: Albert Einstein College of Medicine/ Montefiore Hospital, New York, NY
Board Certification: Plastic Surgery; Certificate of Added Qualifications in Surgery of the Hand
Special Interests: Hand Surgery; Skin Cancer Surgery; Body Contour Surgery and Liposuction; Breast and Cosmetic Surgery

Heather Foley, FNP
Nurse Practitioner
Education: SUNY Binghamton Decker School of Nursing, Binghamton, NY
Certification: Family Nurse Practitioner

Physical Medicine
These physicians, known as physiatrists, specialize in the treatment of disabling diseases or disorders, including those that affect the spinal cord, brain, muscles or joints.

UHS Physical Medicine & Rehabilitation
4433 Vestal Parkway E, Vestal, NY 13850
phone: (607) 771-2220 • fax: (607) 771-2225

UHS Plastic Surgery
27 Park Avenue, 2nd Floor, Binghamton, NY 13903
phone: (607) 772-6266 • fax: (607) 772-8567

UHS Perinatology
Perinatologists are obstetricians who specialize in high-risk pregnancies. They also perform genetic counseling and antepartum diagnostic testing.

UHS Perinatal Center
33-57 Harrison Street, Johnson City, NY 13790

We are pleased to be your guide

One of the most important decisions any of us can make is where to seek medical care, whether it’s for an emergency or a routine checkup. Which doctor, allied health professional, hospital or medical center will best suit our needs? This directory is a resource designed to help you make those choices. It gives you a clear picture of exactly what our UHS System offers when it comes to the high-quality providers associated with our hospitals and offices.

Our medical staffs now comprise more than 550 members, practicing at our four hospitals in Broome, Chenango and Delaware counties. The size of the affiliated UHS Medical Group has doubled in the past 10 years to include over 400 members. The providers listed in these pages represent a wide range of medical and surgical specialties and a host of primary care options. We are proud to refer you to these talented, skilled and dedicated individuals.

The providers are all motivated by one goal: to ensure that you have a positive, restorative experience as a patient. They are committed to listening to you, showing you respect and giving you hope. That’s because they’re all members of the UHS team, devoted to making your time with us comfortable, supportive and healing – the best healthcare experience of your life.

Thank you for making the UHS choice, and for using this edition of the Directory of Services, Physicians & Providers as your personal guide to quality care.

Sincerely,

John M. Carrigg
President and Chief Executive Officer
UHS

UHS Walk-In Centers are conveniently located nearby your home or work, to care for you or a loved one when experiencing minor health concerns including coughs, colds, sprains and strains. It’s always best to visit your primary care provider when you are hurt or ill, but when it’s not possible, Walk-In for high quality care!

Open 7 days a week, from 8am – 8pm, and 7:30am – 9:30pm in Vestal

Visit uhs.net to view current Walk-In wait times.
Providing care at convenient locations throughout the Southern Tier
