Creating a UHS Virtual Health patient account

Tip: Chrome or Safari web browsers work best!

Step 1: Go to nyuhs.zipnosis.com

Step 2: Click the orange button that says LOG IN
Step 3: Click the text that says Create account.

Step 4: Enter information and follow instructions to create an account.

Tip: Questions about technology requirements can be directed to the Zipnosis support desk at (607) 545 - 4187.
