# Community Alternate Systems Agency

Community Alternate Systems Agency (CASA) is the central access point for the consumers of long term care from home care to nursing home. CASA helps families regardless of age or payor source, to navigate their way through the numerous long term care options available in Broome County.

CASA is an agency designed to assist residents of Broome County in developing the most effective long term care plan possible.

CASA assessments can help to prevent crisis, by matching needs to programs and services, by putting together short term plans with long term options. Individuals may need just a little assistance to maintain their independence in their residence. Whatever the need, whatever the call, CASA will respond with suggestions and recommendations, giving the client and family the information they need to make the best decision.

**Community Alternate Systems Agency (CASA) .....778-2420**

# Inpatient Rehabilitation Services at UHS

## **UHS Transitional Care Unit:**

Located at UHS Binghamton General Hospital (Krembs 6), the UHS Transitional Care Unit is a 20 bed Medicare-certified, skilled nursing unit for patients who have progressed beyond hospital care, but who still require 24 hour supervision for a short period of time before returning home. The unit cares for patients who require IV's, tube feeding, daily injections and therapies, sterile dressing changes, nutritional assessments or skilled medical observation. To qualify for Medicare coverage, patients must have a three day inpatient qualifying stay at UHS within the last 30 days. Length of stay must be anticipated to be between 5-20 days.

## **UHS Sandiford Rehabilitation Center:**

Located at UHS Binghamton General Hospital (Krembs 4). UHS Sandiford Rehabilitation Center is an acute inpatient rehabilitation program where patient's are required to participate in 3 hours of therapy a day. A three day qualifying stay is not required for this level of care. Evaluation by a physiatrist is required for admission to this unit.
