

Thank-you for choosing UHS for your patient's treatment needs. In order to best serve your patient, we need the following information faxed to us.

1. Current psycho-social assessment.
2. History and Physical.
3. Available lab results and other medical tests results such as an EKG.
4. Most recent PPD results.
5. Urine drug screen results.
6. Current medications with dose and frequency for each.
7. Current demographic information.
8. Insurance information.
9. Please include where the patient will be living upon completion of treatment.
10. If on Suboxone,, we need a letter from the prescriber stating they will resume prescribing upon successful completion of treatment. Please include the dose in the letter.

**The above information can be faxed to 607-865-9234.** Please contact 607-865-2115, if you have any questions.

Again, thank you for your referral. We look forward to working with you.

Sincerely,

Debby O'Brien, BS, CASAC  
Program Manager
