25TH
ANNIVERSARY

Chairman's Message

Dear Friends:

I can't help but reflect on recent times and think of a quote by the late Fred Rogers, "When I was a boy and I would see scary things in the news, my mother would say to me, 'Look for the helpers. You will always find people who are helping.'" We have all seen scary things as a result of the pandemic; however, we have also seen so many people rise to the occasion and meet the challenge. Thank you to our healthcare workers. I'm proud the CMH Foundation's mission is in support of our community hospital. Thank you to the donors of the Foundation – you have helped us grow and build in our efforts. You are the helpers that we look to with gratitude and thanks.

After 25 years the CMH Foundation's total gifts to the hospital are \$1.3 million and, in addition, gifts and future pledges bring that number to \$1.6 million. This is our history and something to be very proud of. We have so much to be thankful for and we thank all of those who have supported our mission so diligently for so many years.

As of February 2020, the Foundation had total assets exceeding \$4.9 million just as the pandemic began. While there was subsequent volatility in the market, the investment committee met with Wells Fargo and mutually agreed

to not deviate from our investment strategy. The assets have rebounded nicely exceeding where we were in February.

The COVID crisis also caused the cancellation of the Foundation's annual golf tournament. This is a longstanding tournament that has been attended by many of our supporters and has created great memories with many friends and brought significant revenue for the Foundation. While we were sad to not host the event this year, it was the right decision aligning with our goal of supporting a healthcare organization.

This annual report also includes participants in the Chenango Medical Neighborhood Capital Campaign that was held last fall. Construction has begun most visibly on the west side of the hospital where steel has gone up for the new ER and Walk-In entrances. The new north lot for employee parking has opened and excavation for the new ER ambulance entrance has begun.

Thank you to Steve Natoli for his eight years of service including chairing the 2015-2016 annual campaign and as Chairman of the Foundation in 2016. Thank you also to Dr. John Brereton and Dave Emerson who graciously renewed their term as Co-Chairmen

Daniel M. Grady

of the Foundation while CMH conducted the capital campaign.

This is the first fundraiser the Foundation has had in a year due to the mindful decision to pause the annual campaign last year and cancel the golf tournament this year. The Foundation is proud to have participated in the capital campaign in support of UHS Chenango Memorial. We pledged \$500,000 to be paid over five years.

Perhaps, more importantly now than ever, our work must continue. Our work can only be done with your help and we are so grateful to our supporters. The world around us is rapidly changing and so too must our healthcare capabilities. Your gifts help ensure UHS Chenango Memorial will continue to be ready to provide the healthcare we all want in our community: today and tomorrow.

With gratitude,

Daniel M. Grady

Our Mission

The Chenango Memorial Hospital Foundation seeks and manages public and private funds from individuals, foundations, corporations, civic organizations and governmental agencies to support UHS Chenango Memorial Hospital activities in Chenango County.

We will continually strive to become the health-related charitable organization of choice in the Chenango community.

Our mission is to facilitate charitable giving that supports UHS Chenango Memorial Hospital's health care efforts to improve the health status of our county.

The Chenango Memorial Hospital Foundation increases the awareness of UHS Chenango Memorial Hospital's benefits to our greater community, while providing giving opportunities that are in the best interest of the donor and the hospital.

we are your foundation

Generosity

Since its inception, the Foundation has given over \$1,600,000 to UHS Chenango Memorial. Recent gifts include:

- \$500,000 Pledge to the Chenango Medical Neighborhood Capital Campaign
- \$100,000 Renovation of the Hospital's Pharmacy
- \$100,000 Fetal Monitors for Maternity
Phototherapy Lights for Maternity
Swallow Chair for Radiology
Hi-Lo Table for Orthopedics
Cribs for the Medical/Surgical Unit
Soft ID Lab Collection Technology
- \$84,000 Dental Digital Radiology Equipment
Hi-Lo Table for PT
- \$90,000 Electrocardiogram Machines for the Heart Center
Equipment for the Operating Room
Flat Screen HD TV's for the 3rd Floor Patient and Waiting Rooms
- \$80,000 Creation of a Gastrointestinal Suite in Ambulatory Surgery

Capital Campaign

Dear Friends,

For more than 100 years, UHS Chenango Memorial Hospital has been where we've turned for our health care needs. And last year, when our hospital reached out to us, the community, we answered the call.

When we launched the Chenango Medical Neighborhood Campaign last year, it seemed an almost impossible feat to raise the more than \$3 million needed to enable UHS Chenango Memorial Hospital to fulfill their vision for Phase 1.2 of the Chenango Medical Neighborhood Project. Thanks to you and the generosity of so many in our community, we not only met, but far exceeded our initial goal.

As the chair of this campaign, I have been honored and humbled by the response we received from our appeal. We received donations, pledges and commitments from all corners of Chenango County and beyond.

Those contributions came from young families, retirees, churches, business leaders, small businesses, financial institutions, major employers, the hospital's own staff, the foundations that contribute to the quality of life in our community in so many ways, and, yes, even those who no longer call our community home, but still cherish their Chenango roots.

The more than \$6 million raised with this capital campaign – the hospital's first in nearly three decades – is enabling the largest concentrated investment in this vital institution in half a century. This historic project will improve the health of our community, and ensure the sustainability and vitality of this institution for generations to come.

And you, with your support of UHS Chenango Memorial Hospital through the Chenango Memorial Hospital Foundation, have made it all possible.

On behalf of our entire Campaign Cabinet, Thank You. Together, we are helping to build the future of health care in Chenango County.

With gratitude,

Martin A. Dietrich

THE LEGACY SOCIETY

In an effort to encourage support for planned giving, the Legacy Society has been established. Its objective is to encourage men and women who believe in UHS Chenango Memorial to invest in its future with gifts through their wills, life income arrangements and other planned giving. These individuals will be recognized as members in perpetuity of the Legacy Society.

The Chenango Memorial Hospital Foundation is proud to include these individuals as members of the Legacy Society . . .
